Declaration

By working in the vicinity of Heathrow Airport Limited, you agree to carry out works activities as detailed in your Crane Permit. Failure to do so may result in the immediate withdrawal of the permit. You must ensure that the details you provided are correct and agree that in the event of any changes to the Crane Operation, you will make HAL Airside Works Approvals Team aware of these changes. HAL Airside Works Approvals Team may undertake work site audit at any time to ensure that the restrictions and condition of use of the Critical Crane Permit are being adhered to.

Please ensure when sending your Crane/TCE application in you also send a copy of your lifting plan.

I confirm I have completed the form to the best of my knowledge, and I will send a copy of my lifting plan when submitting the application

I understand that this application process can take up to 4 weeks or longer
